

New England College will grant credit for course work taken at other regionally accredited colleges in accordance with the recommendations of the "Transfer Credit Practices of Selected Educational Institutions" published by the American Association of Collegiate Registrars and Admissions Officers.

New England College recognizes that this activity must be governed by regulations that are clear, consistent, and equitable.

The Office of Admission is responsible for initial transfer credit evaluation. When evaluating a student's previous academic work, the evaluators consider:

1. The comparability of the nature, content and level of course work to that offered by New England College;
2. The applicability of course work to Liberal Core Curriculum and major requirements at New England College.

The Registrar has the sole authority to grant transfer credit. The transfer credit evaluator, acting on behalf of the Registrar, evaluates all requests for advanced standing and will notify transfer students in writing of credit granted. The evaluator works closely with academic department heads and other faculty to ensure that all credit granted is based on the most current academic information.
